

Attachment 2:

Declaration of commitment concerning data privacy and the use of the central IT services of the University of Bonn

You are permitted to use the central IT services of the University of Bonn only to the extent necessary to fulfill your assigned tasks and responsibilities for the University of Bonn. This applies in particular to accessing content and services related to science and research as well as to using resources that require a license. All users are to comply with the University of Bonn's guidelines concerning the permissible utilization of the central IT services.

When using these services, you are also obliged to preserve the confidentiality of any and all personal data that you obtain access to during the course of completing your assigned task. You are to observe the terms of North Rhine-Westphalia's data privacy act and the University of Bonn's prevailing guidelines pertaining to IT security. Personal data may only be processed for the purpose of performing the stipulated task and within the prescribed guidelines of the University of Bonn.

Institutional and operational secrets of the University of Bonn as well as research data are also to be treated confidentially.

Please submit a signed copy of this declaration of commitment to the University of Bonn.

Best regards,

University of Bonn
